

*If you have an edge... We have a trim*

### RoHS Certificate of Compliance

Product Line	RoHS Compliance Status
Locking Gasket	Compliant*

\*Standard catalog items only - does not include flame retardant or custom products. Please contact us for certification.

This document is to certify that the product lines listed above comply with European Directive 2002/95/EC (Rohs). This directive establishes maximum levels for, or prohibits the use of Cadmium, Hexavalent Chromium, Lead, Mercury, Polybrominated Biphenyls (PBB), Decabromodiphenyl Ether Deca-DBE, Perfluorooctanesulfonate (PFOS) and Polybrominated Diphenyls (PBDE).

This information is accurate to the best of our knowledge. Trim-Lok and RTP do not test for the presence of these substances, but, rely on information provided by raw material suppliers.
